

A stylized illustration of a Japanese town by the water. In the foreground, a red flag flies on a tall pole. The middle ground shows a town with traditional Japanese buildings along a waterfront, with several boats on the water. In the background, there are green trees and a blue sky with a bird in flight. The overall style is reminiscent of mid-20th-century Japanese art.

Dear Members and Friends,

The Watsonville-Santa Cruz Japanese American Citizens League thanks the contributors to its third Community Directory of businesses and professionals who provide services within our community. Through their generous contributions and the support of each of our members, our Chapter of the JACL is able to further its educational, cultural, civil rights and history programs. It is vital that our JACL Chapter continues to voice its support of civil rights initiatives and to educate succeeding generations and those new to our community on our Nikkei history to ensure social justice for all people in our nation.

In appreciation,

Jeanette Otsuji Hager, *President*
